## Experience

### **Links-ad Marketing Agency**

#### **Graphic Designer and Visual Communication**

2022-2023

As a Graphic Designer I am responsible for marketing maintaining the company's brand aesthetics, internally and externally. This includes reviewing, updating, and maintaining the company's visual representation in all aspects of design including typography, composition, and color. Amend designs based on stakeholder and client feedback. And Post-production: clip Editing, motion graphics, story for instagram in After Effects.

### **Milim Writing & Translation Services**

#### **Desktop Publishing (DTP) Specialist**

2021-2022

As a Desktop Publishing (DTP) Specialist I am responsible for aiding the translation team with post-translation formatting. The role includes working with typesetting software (such as inDesign, Acrobat, Photoshop, Illustrator, and Microsoft Word) to reformat target language content to look as impressive as the original document.
